

President's Report 2022(Covering Period from June 2021 AGM)

Nice to be returning to our normal Spring AGM, with most of COVID restrictions behind us. I continue to be lucky to have a highly skilled and devoted group of volunteers who complete the committee work throughout the year. I extend my personal thanks to each of the Officers, Committee Chairs, Employees and Volunteers.

General Updates:

Community Partnership Activities:

1) Financial Assistance:

TIRRA provided \$500 financial assistance to a youth employment summer program, as per approval at the June 2021 AGM.

2) Trail Cooperation:

Trail license between Portal Holdings and Island's Trust Conservancy has not yet been resolved. TIRRA continues to facilitate use of the trail connecting the parking lot off North Cove Road, to Fairy-slipper Trail. Without TIRRA involvement, the trail would not be open for recreational use. Current agreement between Portal and TIRRA is being renewed in April 2022. It is on annual review, so as not to lose sight of the expectation to replace the current licence with one between Portal Holdings and Island's Trust Conservancy.

Other Updates:

Besides the great work of the Committee Leads and their volunteers: I have had my fingers in a few local issues.

- We are still waiting to hear from the Federal Government about the grant application the CVRD made in 20 for Connectivity/Internet funding.
- As there is currently no Committee Lead for the Welcome Committee, I have been filling this role: ordering and preparing packages. Thank you to Bev Green and Greg Gall who have volunteered to meet with newcomers and help them transition to island living with an information package about local groups and initiatives.
- An RCMP Fireside Chat is being organized to review issues of concern to Thetis Islanders. Currently scheduled for the morning of April 20th. Please consider attending.
- ThINC and a few other community members (including me for TIRRA), have been working on a TI education and participation program regarding organic waste (composting).

There has been a lot of community conversation about inclusiveness of decision making, information sharing and fiscal accountability. I ask you to hold me accountable that TIRRA meets your expectations on these goals, in the interest of all islanders.

Thank you for your support. If you are interested in joining TIRRA as a paid member, a board member or a volunteer, please reach out to tirra@thetisland.net

Regards, Wendy Hinsperger, TIRRA President
