

Communications Report for the TIRRA 2025 AGM

From Claire Hess, for eSpokes:

The volunteers at eSPOKES continue to deliver a daily Thetis eSPOKES to the inbox of every subscriber, currently 648.

The Guidelines continue to help us serve you and are worth your attention:

Guidelines for posting

https://www.thetisland.net/tirra/Espokes_Guidelines.html

Your understanding and support are greatly appreciated.

We are grateful for the dedicated volunteers who keep eSPOKES going and for the support of the volunteer TIRRA board.

From Veronica Shelford, as Communications Chair:

Since this report includes the year past, 2024, we can note that the phone book came out last May, and the stick-on revised ferry schedules were made available this January. If anyone ordered some and haven't collected them yet, please contact Veronica at veronicashelford@gmail.com.

We did do a Visitors' Guide in 2024, but health issues intervened this year and it hasn't come out, at least not yet. If anyone would like to see a late version, or even better, produce it, please let Veronica know.

The community website at thetisland.net continues to provide a wide range of information and services. We appreciate people letting us know when the ferry cam isn't operating properly, or if they have updates for the busy ferry schedule, or indeed any other information they think would be of value to the island. Like all these services, they are fundamentally interactive. We are all the "webmasters" at thetisland.net, even if it's only one actually sitting at the computer!

And as we hope you all noticed, in February we produced a bit of a blitz of information about TIRRA and some of what it does for the Thetis Island community. The need for volunteers is ongoing in a small population like this, but our lives are SO much enhanced when many hands make light work, and get the necessary jobs done. It's also one of the primary joys of life here, to know and work with your neighbours. Thank you all!

TIRRA Communications Committee
