

St. Margaret's Cemetery Annual Report TIRRA AGM, April 2022

There were 2 interments of cremains in 2021. Five cremation plots sold. Treasurers report attached.

2021 saw the completion of both gates into the cemetery. Norm Kasting designed, donated and built the gate at the St. Margaret's Lane entrance. A plaque was placed on the gate acknowledging Norm's contribution. At the Capernwray side Ron and Eleanor Vandergaag designed and constructed the gate, donated by Charles Fordham. A plaque was placed on this gate as well.

Split rail fencing was continued on the South east border with Capernwray.

Glen Andison and Norm Kasting leveled the Burchell memorial which had been tilting badly for several years.

Capernwray crew continued cleanup of Blackberries invading from northwest property line with Capernwray.

Two new members were welcomed to the Cemetery Volunteer roster. Georgina Webber and David Reay.

Annual clean up happened around the summer solstice in June. Members in the community who have relatives and friends in the cemetery were invited to come and clean up the grave sites. There was a good turnout.

The spring and summer of 2021 presented some hurdles with trying to keep the new plantings alive but things survived pretty well.

The cemetery did not have any major issues during the winter.

All in all, it was a quiet year after several years of major work being done.
