

St. Margaret's Cemetery Annual Report 2022

TIRRA AGM March 2023

There were 5 interments of remains in 2022. Four cremains and one interment of human remains.

(treasurer's report to be attached)

It has been a quiet year. A decision was made at the AGM 2022 to take a year away from any major development projects in the cemetery. One project that was done was the repositioning of the original St. Margaret's Cemetery history sign. Thanks to Ron Vandergaag for designing and making the new shelter for the sign.

Our annual clean up took place in June. David Reay sent out personal invitations to all families who had persons in or connections to St. Margaret's Cemetery. The turnout was pretty good. Everyone did their share in cleaning up the graves of their family members and of acquaintances. A Picnic lunch was taken on the grass followed by David encouraging the sharing of stories about some of those family members in the cemetery.

David Reay has been keeping an eye on maintenance. Many thanks to him for his valiant efforts to keep the blackberries at bay. Always thanks to Norm Kasting for lawn mowing.

A quiet thank you to the cemetery faeries: Sue French and Nan Beals who have been weeding the path and keeping it clean.

In the coming year St. Margaret's would like to begin in earnest the planning and development of the new portion of the cemetery. We will be revising the Rules and Regulations for the cemetery to accommodate the new developments.

Many thanks to the cemetery board for their continued support.

Suzanne Sarioglu

Simone Luckham, Treasurer St. Margaret's Cemetery

* due to a very low interest rate and with the monthly service fee deductions, we lost five dollars. Our plan is to invest this money in a GIC in order to avoid further loss. That said we had more sales and our revenues nicely.
