

TIRRA Transportation Report 28 Apr 2022 AGM

Update requested from Islands Trust Thetis LTC on any progress to date regarding TIRRA Transportation 2021 letter asking the LTC to advocate in bringing appropriate stakeholders together for establishing a traffic improvement plan for Foster Point Rd stretching from the ferry terminal to the government dock. Concerns raised regarding pedestrian safety, parking, ferry unloading, and overall traffic congestion.

May 2021 spring roadside mowing completed

Sep 2021 roadside brush cutter on island reducing extensive growth from blackberries etc along our roads

Oct 2021 an unlicensed abandoned vehicle reported along Pilkey Point Rd, referred to Emcon, vehicle subsequently removed.

Oct 2021 report of trees being removed from side of Pilkey Point Rd. Joe at Emcon indicated that trees had been fallen by MOTI and subsequently offered to residents for firewood.

Site visits regarding concerns raised - boat ramp, Pilkey Point, North Cove Rd, Forbes Rd, Harbour Rd.

Thanks always to Joe at Emcon for his dog treats, quick responses, thorough explanations, snow clearing, and resolution of issues.

Residents are encouraged to report any rockfall on Moore Hill to Joe at the Emcon Yard [250 246-3431](tel:2502463431) as each rockfall is recorded. Emcon can also be contacted [24/7](tel:247) for any issue using their Road Reporting Line at [1 866 353-3136](tel:18663533136).

For all emergencies call 911.
