

TIRRA Annual General Meeting Thursday, April 28, 2022, 7:00PM

President Wendy Hinsperger called the meeting to order at 7:00 PM with the following also present:

- Vice President, Quentin Goodbody
- Treasurer and Solid Waste Chairperson, Ernie Hunter
- Secretary, Lisa Vernon
- Transportation Chairperson, Stu Downey
- St. Margaret's Cemetery Chairperson, Suzanne Sarioglu
- Trails Chairperson, Vicki Walker
- Espokes Chairperson, Claire Hess

Wendy Hinsperger welcomed the good turnout. The TIRRA Executive Committee Reports are online so only brief discussions will be held on reports as submitted. <http://www.thetisisland.net/tica-tirra/tirra-reports.htm>

President's Report: Posted online: Although there is no Committee Lead for the Welcome Committee Bev Green and Greg Gall have volunteered to meet with newcomers. 30 + residents attended the RCMP Fireside Chat, and the officer visited the school. Community composting work is not yet complete.

The Minutes of the TIRRA General Meeting on November 25th, 2021, approved as found online, moved by Keith Rush, seconded by Claire Hess, and approved by all members.

Wendy moved that the Rebate Policy discussion which is an AGM activity be deferred until the November TIRRA GM as no parcel tax for 2022: seconded by David Reay, approved by all members.

Treasurer's Report: Ernie commented on Financial Report as posted: no unusual items, minimal activity. There was a general discussion regarding allocation of revenue and expenses between the Garbage and Recycle for clarity on financial wellness of both streams. Discussion on recycling reopen was deferred to after Paul Duncan provides his findings on the site review requested by members at June 2021 AGM.

Trails: Vicki said there has been a lots of trail maintenance activity: thankful for the volunteers who have put in extensive manhours: you know who you are! The committee asks trail users respect private property and only hikers not bikes use the trails. Vicki invited new volunteers and promised no meetings would be involved.

Transportation: Stu continues to work with Islands Trusts and Stakeholders regarding pedestrian safety, parking, ferry unloading, and overall traffic congestion between ferry terminal and government dock. LTC advises issue is on their May meeting agenda. Discussion regarding roadside brush cutter last fall, concern raised that work done was too invasive whereas another resident thought it was good. Stu will forward comments to Emcon. Discussion regarding erosion Pilkey Point. MOTI's preference would be for public education regarding no parking vs signage. Residents are encouraged to not drive past the end of the pavement, which will help to avoid further erosion.

Cemetery: Suzanne praised Norm Kasting, Ron and Eleanor Vandergaag, and Charles Fordham for the new gates as well as others who have contributed. The loss of cedars in the surrounding area has affected water movement but there were no major repairs in 2021.

Espokes: Claire stated Espokes committee is good: more volunteers would be welcome.

Solid Waste: Lynne Smith (Area G Director, CVRD) has arranged a ZOOM meeting with Wendy, Ernie to clarify baling and hauling options. Discussions ensued; frustration evident, patience requested.

Wendy invoked Roberts Rule and all voted in favor to move on to Paul review on TI Solid Waste.

Paul provided a slide show summary of his independent findings: now available under Solid Waste links for Apr 28th, 2022, Minutes and Reports. Much discussion: buying the property, grants, infrastructure investments. Our OCP (Official Community Plan) states our vision is to become Zero Waste. Paul summarized the 3 Scenarios available to Thetis Island. After the excellent presentation there was extensive discussion.

Veronica motioned we proceed as soon as can be done with Scenario 1 while pursuing Scenario 2, Ann seconded it, 2 opposed, approved by majority, carried.

Wendy asked if an informal group could get together and discuss ideas for supporting Scenario 1 and 2 actions. 6 Islanders volunteered for this workgroup.

Wendy asked if there were any other motions or questions.

TIRRA Executive 2022: All executive indicated they would stand for another term, and there were no nominations/challenges from the floor. The position of Welcome Chair remains open.

President: Wendy Hinsperger

Vice President: Quentin Goodbody

Treasurer: Ernie Hunter

Secretary: Lisa Vernon

Solid Waste: Ernie Hunter

Transportation: Stu Downey

Cemetery: Suzanne Sarioglu

Trails: Vicki Walker

eSPOKES: Claire Hess

Wendy adjourned the meeting at 9:38 PM
