

TIRRA General Meeting

Saturday, July 23rd, 2022, 3:00PM

President Wendy Hinsperger called the meeting to order at 3:00 PM with the following also present:

- Vice President, Quentin Goodbody
- Treasurer and Solid Waste Chairperson, Ernie Hunter
- Secretary, Lisa Vernon
- St. Margaret's Cemetery Chairperson, Suzanne Sarioglu
- Trails Chairperson, Vicki Walker
- Espokes Chairperson, Claire Hess

Absent: Transportation Chairperson, Stu Downey

Wendy Hinsperger thanked everyone for attending and expressed appreciation to 6 volunteers that came forward to join the workgroup on the Recycle Thetis Initiative as well as the writers seeking more information.

The Minutes of the TIRRA Annual General Meeting on Thursday, April 28th, 2022, adopted as found online, moved by Dave Reay, seconded by Veronica Shelford, and approved by members.

President's Report: Wendy thanked Susan Unger for volunteering to assist with the Welcome Packages.

Espokes is going well but more volunteers needed, usually 20 minutes a day but can be more at times.

Cemetery: Suzanne had a good turnout for the cleanup day held at the cemetery in July. Dave Reay was specifically thanked for organizing extra people to assist.

Trails: Vicki said there is nothing new, everyone has had the opportunity to receive maintenance updates. Cleanup of vegetation is constant. Thank you to Lynda Poirier for removing the hornet nest.

Transportation: Wendy provided a small roads update on behalf of Stu, based on his report posted. Emcon mowing the ditches within 5 days in preparation for the hot spell. Stu continues to work with Islands Trusts and Stakeholders regarding pedestrian safety, parking, ferry unloading, and overall traffic congestion between ferry terminal and government dock. The community launching ramp continues to have issues with keeping the parking lot clear and with boat trailers that appear to be abandoned.

Solid Waste: Ernie said that Garbage is "status quo" but gave a thumbnail sketch of the Recycle issues.

Recycle: Wendy relayed that since April at least 400 hours of volunteer time as well as Lynne Smith's help not to mention Paul's initial 200 hours had gone into the 3 Scenarios applicable to Thetis Island. Member feedback/questions were requested in the espokes announcements of the meeting. Wendy read two emails received from members. There were two other residents who posed questions in advance of the meeting. Responses were posted on thetisland.net and linked to an espokes, as committed. Wendy asked that those that would like to speak to the matter at hand, do so now. 16 individuals spoke clearly and passionately both for and against the different scenarios posted and many presented suggestions.

Three scenarios with estimated parcel tax budgets for operation of the Solid Waste facility were shared with members:

User Pay Garbage Only: \$10K, \$32 per household annually

User Pay Garbage and Free Recycle: \$36K, \$111 per household annually

User Pay Garbage and User Pay Recycle: \$28K, \$85 per household annually

*The above budgets do not include CVRD fee (5.25%) for administering collection via property taxes.

Voting: Discussion on how to vote and Wendy asked that someone make a motion as to how vote should proceed.

Tamara Phelan moved the process be to eliminate one of the three options, by a vote that determines whether members want a recycle service as part of Solid Waste facility. James Alton seconded, all in favour.

Dave Reay moved the Solid Waste facility should offer recycle services. Motion seconded, however, seconder not recorded. Wendy asked for a show of hands for those in favour and a show of hands for all opposed: Yes 29, No 26. Recount was requested by a few attendees: reasonable based on closeness of vote. Recount completed: Yes 33, No 28. Approved, motion carried.

Dave Reay moved the User Pay Recycle Option be implemented. Tricia Hunter seconded.

Show of hands: Yes 25, No 26. Recount requested by a few attendees: Yes 26, No 25. To assure the count was accurate all those in favor separated from those opposed. A body count was done: Yes 27, No 24. Approved, motion carried.

Wendy thanked everyone and adjourned the meeting at 4:56PM.
