(see addendum for the full wording of the proposed amendments provided to the membership for review prior to the meeting):

Wendy reviewed the above and posed the Executive motion:

Discussion:

At TIRRA meetings not relating to parcel tax, our bylaws indicate only TIRRA members may vote. Paul McMillen raised the issue that as a due diligence TIRRA should take note at the beginning of every meeting of those present that are members eligible to vote. Acknowledged by Executive.

Wendy asked for a show of hands regarding membership status at the current meeting: 20 TIRRA members (1 family membership completed prior to calling the question), 1 property owner (not a member) – this constituting a quorum.

Karl Unger raised the issue of including an option for eligible voters to submit an email vote as well as mail in voting on parcel tax matters. This option will be tabled until a complete bylaw review is

undertaken. The current bylaw amendments proposed are to regularize non-compliance with BC Societies Act, and move forward on a vote regarding Solid Waste facility operations and budget.

Wendy asked if the members were ready to call the question. The question was called: Results were 18 for, 2 abstain, 1 ineligible: MOTION PASSED

Attendees were reminded of the Information Session regarding solid waste: November 3rd at 7PM Forbes Hall. The deadline for receipt of mail-in votes on the Solid Waste issue is November 18th, with the overall voting deadline being November 19th.

Wendy adjourned the meeting at 7:18PM
