President Wendy Hinsperger called the meeting to order at 9:30AM with the following also present:

- Treasurer and Solid Waste Chairperson, Ernie Hunter
- Transportation Chairperson, Stu Downey
- Espokes, Claire Hess
- St. Margaret's Cemetery Chair, Suzanne Sarioglu
- Vice President, Quentin Goodbody (via Zoom)

Absent – Lisa Vernon, Secretary, Vicki Walker/Doug Fenton, Trail Co-Chairs

Wendy welcomed everyone and thanked those who submitted reports in advance of the meeting. Each committee chair responded to points of clarification. Ernie and Wendy gave verbal reports as they did not provide reports in advance. All reports will be posted for community to review prior to AGM on March 18th.

Solid Waste: Ernie advised no one has called him regarding garbage fee increase. Garbage tonnage has been year over year the same. Suzanne suggested educational program at the yard might encourage further recycle and compost behaviours. Return of Free-store being discussed. Any garbage dumping concerns should be raised to TIRRA.

MOTION: Wendy requested the Minutes from the September 29th, 2022 Executive Meeting be adopted, moved by Claire, seconded by Ernie, unanimous approval.

Committee Chairs for 2023: Wendy proposed a new Committee be struck for Communications. Veronica Shelford has agreed to stand for this position at the upcoming elections. Espokes will then roll up to Communications: (Chair will manage thetisland.net, espokes and phonebook *plus possibly* visitor guides and ferry webcam).

MOTION: Ernie moved, Wendy seconded: TIRRA to explore income and expense of thetisland.net (and the webcam) to consider reimbursement to V. Shelford for these services. Motion carried.

Date for AGM: Discussion around bylaws (which state March for AGM) and notice period of 21 days. Last two weeks of March is Spring Break. Hold til April or proceed. Show of hands: proceed with Saturday March 18th and 2PM, Forbes Hall. Notification by February 25th.

Executive and AGM Elections:

Three individuals will be stepping aside from their roles: Lisa Vernon, Secretary, Stu Downey, Transportation Chairperson, Wendy Hinsperger, President.

All Executive were asked to engage in conversations with Community members who would value working collaboratively to provide services to Thetis Islanders.

Bylaw Review:

Wendy has been tracking the issues raised about our bylaws, that were not addressed with the changes made in October to the voting procedure. Executive will be resourcing community members to work on a full bylaw review project with the goal of providing the TIRRA Executive of a DRAFT document by Fall 2023.

Two potential projects have been raised to TIRRA at prior meetings: First Nations Road Names and Shop Local (discount program for islanders when shopping in Chemainus etc.) Wendy will refer to the Forum for further discussion.

Chairperson Handbooks: A reminder of this goal: each committee chair to keep a handbook which contains bylaws, constitution, code of conduct, vision statement, mission statement, list of contacts for role, Roberts Rules cheat sheet, specific committee “job” description, etc. The intent is to have a guide for mentoring and for encouraging new resources to consider positions on the TIRRA board.

The work on the Constitution will be slotted with the bylaw review. The code of conduct, vision/mission statements is underway and Wendy will get clean copies to each board member in hopes of completing this work in March 2023.

CWF (Community Work Funds) Wendy to reconfirm with Area G Director, Jesse McClinton, the amount of funds being held for Thetis Island. Seek his commitment to discuss TIRRA's requirements for this funding. CVRD must approve the use of funds. Ideas raised (saltwater mosquito abatement- valve replacement, webcam upgrade for ferry, trail maintenance equipment and supplies, etc.)

Wendy thanked everyone for their input to the final letter of response to Vicki Walker. Small edits will be made and letter sent in next few days. Wendy asked if the replies to both Ann and Vicki should be posted with their original letters. Agreed this would be appropriate and Wendy committed to contact Ann and Vicki for their concurrence.

Wendy thanked everyone and adjourned the meeting at 11:11AM.
