Executive Reports

Updates from Chair: per online report, stepping down after 5 years, and moving to Past President role.

Trails: No representative from Trails, Wendy read their written report for GM.

Espokes: (Claire absent), Wendy advised on Espokes behalf: always looking for volunteers: each volunteer takes one month at a time. A very straightforward and well-regarded community resource and volunteer opportunity.

Transportation Report: Stu Downey - see online post;

- Discussion re Sunrise Point Road repair (near bottom) - waiting for asphalt to dry out to repair.
- Discussion re Government Wharf, and road apron (TIPC & CVRD are working on project resolutions)

Treasurer's Report: Ernie Hunter - Financial report as posted. Discussion regarding allocation of revenue & expenses

Solid Waste Report: Ernie Hunter - operating with garbage only - new rates will cover increased costs; Improved resident awareness of garbage content will help reduce Thetis Island's waste removal cost.

- Discussion re Free Store at site: being reviewed
- Use of owner driveways with items and signage (Free) seems to work or Espokes or Thetis Island Swap and Shop on Facebook

Saint Margarets Cemetery: Suzanne Sarioglu - general maintenance of site, reposition of new signs

- David Reay organized a successful clean up in June 2022, complete with picnic event: will do same in 2023
- Research on memorials, green burials: anyone interested in helping with the research, contact Suzanne
- Thank you to Ron Vandergaag for his work on new historical signage

Community Partners

Bill Dickie (TIID) Thetis Island Improvement District

- priority for fire fighters and first responders is training: priority for the whole community is the Dock:
 - o Metal Weather Plates rotated for traction: Focus on patient transport and safety for all

Tricia Hunter: (TICF) Thetis Island Community Fund: Thank you for a great 2022 campaign (\$9K donated between October and end of year); requests for education/health are welcome: thank you to islanders for their generosity. Ryan Sharpe and Carol Sowerby are the TIRRA nominees to the TICF board

Anne Dickie: (TICA) Thetis Island Community Association:

- focus of TICA is on Hall building & grounds costs – good progress
- Nurse Practitioner and Social Worker now set up
- Soup's On has increased in popularity/attendance: Also, 1400 individual “visits” to the hall in November
- Submissions made to Alistair MacGregor and Doug Routley per their offer to seek funding opportunities to retire Forbes Hall debt.

Thetis Island Forum will include general public attendance at future meetings

Stu Downey and Jim Moloney: Structure Protection Unit and FireSmart

- Part of Fire department. Lots of training involved
- Working with ThINC - Nature Stewards program: goal of protecting 30% of planet/natural vegetation by 2030
- Now ready to do assessments for islanders on the fire protection of their property: quick wins
 - o Fire retardant native plants, structural fixes, building materials, plants near structures
- More info on FireSmart online: FireSmart 101 (one hour course)

TIRRA Executive Workshops: Constitution, Bylaw Changes, Vision, Mission: ongoing work for targeted completion before next TIRRA general meeting.
