Minutes of previous meetings:

The minutes of the last Executive meeting and of the 2024 AGM were briefly reviewed. It was noted that several online pathways to the TIRRA website lead to two different meetings Minutes listings, one of which is current, the other ending in 2022. Veronica Shelford agreed to look in to this.

Status of Executive:

Gord Prescott's resignation from position of President of TIRRA was noted. VP to step in during the interim pending replacement. President to be referred to as Chairperson (but Bylaws specify President).

Director's Reports:

The Treasurer provided a short verbal report. No issues of note were reported. Written reports were submitted by the Cemetery and Trail Committee Chairs.

2025 AGM: Date:

Date set for March 29th at 2.30pm in Forbes Hall. Notification to be sent minimum 3 weeks prior.

Preparation for AGM:

It was noted that there are amongst the community misconceptions about the state of the TIRRA Executive and a general lack of awareness of the role TIRRA plays. These to be addressed prior to the AGM by:

“Did you know” campaign: article to be published in the next Quarterly and short ‘factoids’ to be included in successive ESpokes explaining TIRRA’s various roles (Transportation (Roads/Ferries), Solid waste, Cemetery, Trails, Communication etc.). The benefits of TIRRA over CVRD control to be emphasised, and the fact that TIRRA is not a ‘policing organisation’.

Did you Know Factoids authors:

Solid waste: Ernie

Transportation: ?

Cemetery: Suzanne

Trails: Vicki

Communication/ESpokes” Claire

Benefits of TIRRA: Veronica

Quarterly article author: Veronica?

Membership: 2025 Annual membership payments come due January 31st. TICA no longer including TIRRA membership in their mailouts.

- TIRRA to devise its own form/mailout (*who to do this?*) Membership to remain at \$10/single, \$15/household. Suggested by Trails Committee that a Trails Sponsorship payment option to be included.

Treasurer currently working with CIBC on facilitating ETransfer of dues by members to the TIRRA account: this may take some weeks.

Transportation: Ferries contact: Subsequent to BC Ferries disbanding the Ferries Advisory Council, Goodbody to ask Keith Rush is he will continue as Ferries ‘point person’ under the TIRRA umbrella (maintaining contact with Penelakut).

Transportation: Roads Committee Chairperson: Ernie to ask Gord Prescott if he will step into this role.

Bylaws/Constitution/Code of Conduct:

Status of 2023 review of these to be determined.

Meeting adjourned: 2.45pm.
