

Thetis Island Residents and Ratepayers Association  
Executive Meeting Minutes  
10 June 2025

**Executive Board and Chair Attendees:**

President - Lynne Smith

Vice President - Quentin Goodbody

Treasurer and Solid Waste - Ernie Hunter

Transportation and Roads - Julian Jackman

St. Margaret's Cemetery - Suzanne Sarioglu

Communications - Veronica Shelford

Secretary - Susan Unger

**Absent:** Trails Co-chairs Doug Fenton and Vicki Walker

**Call to Order:** 2 pm.

**Motion:** Adoption of last Executive Meeting Minutes 15 May 2025. Moved by Quentin; seconded by Suzanne; carried.

**Approval of Agenda:** moved by Veronica; seconded by Julian; carried.

**AGM 24 May 2025 Minutes** approved by the executive. Followed by review and feedback.

**Topics for Discussion:**

**Membership Fees 2025:**

-Membership Renewal Campaign: membership forms at Solid Waste Depot, ferry bulletin board, link on eSPOKES, membership email reminder.

- o Julian to come up with a draft for this Membership Renewal Campaign slogan and message to send to all property owners and renters. Julian will send a first draft to the executive for input.
- o Susan to print Membership forms to distribute at Solid Waste Depot and ferry bulletin board
- o Discussion about current funds in TIRRA account(s) and familiarizing new board members
- o Discussion of an increase of \$5 to the membership fees was deferred until 2026

**Banking Signatories:**

-According to our by-laws we require three or more signatories approved by the executive committee for signing TIRRA cheques

- o Lynne Smith to discuss the required documents with CIBC Chemainus Branch
- o Ernie(current signatory), Quentin and Lynne agreed to become signatories

**Website ([www.thetisland.net](http://www.thetisland.net) ) and Webcam:**

-The [www.Thetisland.net](http://www.Thetisland.net) website is owned by Veronica Shelford. She initiated and created the business page and webcam ads. It is an island wide infrastructure and as such, falls under TIRRA purview

- o Lynne will arrange a meeting with Ann Dickie (TICA President), Veronica and Lynne to reach an agreement as to which association collects funds from the websites according to their bylaws and mandates, to the benefit of Thetis Island Property Owners and Residents

**TIRRA Thank you Cards:**

-Discussion regarding acknowledgement of volunteers: property owners & stewards of the trails, others who assist, host and support TIRRA

- o **Motion:** To explore design and cost for TIRRA to spend purchasing 200 thank you cards. Moved by Suzanne; seconded by Quentin; carried.
- o Julian to design a draft card for circulation amongst executive board: image of one of the trails, TIRRA logo, information regarding our mission

**TIRRA:**

- TIRRA to be added to committees in community postings, i.e. TIRRA Trails Committee
- Quarterly meetings possible future dates: 8 Sep 25; 8 Dec 25; 3 Mar 26
- TIRRA General Meeting: look at a late October/ early November date to present and discuss important business with property owners and residents.

#### **Committee Reports:**

**Communications:** Veronica Shelford keeps membership lists and fees paid; eSPOKES; phone book (published every second year); maintains content on [www.Thetisland.net](http://www.Thetisland.net). The [www.Thetisland.net](http://www.Thetisland.net) website is owned by Veronica Shelford. She initiated and created the website that at some point included the webcam. The business page and webcam ads were created by Veronica, but the ad fees are collected by TICA.

She is currently exploring different email platforms for distribution to larger numbers of email addresses than Mailerlite allows. Susan Unger has taken on the compilation of the Welcome Packages (there is an active group who pass out the packages to new residents).

All board members expressed gratitude to Veronica for all that she does for Thetis Island. She is happy to continue and expressed the wish to have someone from the community to work alongside of her to learn a variety of tasks which she completes, especially as she is currently healing and regaining energy.

**Treasurer:** Ernie Hunter reported BC Society updated with new board member names and addresses; membership and employee filings.

**Solid Waste Management:** Ernie Hunter indicated that the bag fees for solid waste collection do not cover the yard costs. TIRRA leases the solid waste yard from highways, he would consult with Joe from Emcon regarding gravel to amend areas when the yard is muddy. The bottle return area is the responsibility of TIPA.

**St. Margaret's Cemetery:** Suzanne Sarioglu reported that a group of 25 volunteers had a great time cleaning up the headstones and surrounding area. Jollity Farm collected left over wood. Greg Gall chipped collected limbs and brush.

**Community Trails:** As co-chairs Doug Fenton and Vicki Walker were absent, board members had a general discussion regarding trail improvement of the Lawrence Valley Loop meadow bottom. At the AGM there was an offer of cedar logs by a Thetis property owner to be used in trail improvements. There is a line item on the TIRRA membership forms where people may donate funds to trail improvements. These may reduce the additional funds required to complete the work. Lynne Smith will convene a future meeting with all Executive Committee members to determine a plan forward and a final cost. TIRRA Bylaw "4. The Executive Committee may incur expenditures or make commitments on behalf of TIRRA for up to one thousand dollars (\$1000.00) per expenditure." A membership vote would be required to authorize a larger expenditure.

**Roads, Road Safety, MOTT Liaison:** Julian Jackman has been in conversation with Stu Downey regarding Klahowya potholes. Discussion regarding further contacts and concerns. Julian will follow up with Joe Lange of Emcon, Fire Department and other individuals who have concerns, such as signs indicating "shared roads with cyclist and walkers" "no exit" signs on roads that have inadequate turnarounds. Discussion regarding safety in the ferry parking line, through traffic alongside of it, as well as vehicles and pedestrians exiting docked ferries. Julian will look into options and report back to the board.

**Scotch Broom:** From the AGM, Motion: "That the TIRRA Board consult with experts to determine a Community Scotch Broom Management Strategy." Moved: Jonathan Thornberg. Seconded. Adopted by show of hands. Significant discussion about removal of invasive Scotch Broom on public and private lands. Cutting, piling and chipping vegetation in place seems to be a logical path forward, which would reduce moving the brush several times and risk the spread of plant debris. The board discussed who are "the experts" and who might form a committee? An advertisement will be placed in eSPOKES, to ask for volunteers to create a broom busting committee. It was agreed that a plan over several years will need to be made in order to address this issue.

**Meeting adjourned: 4:17 p.m.**
